Introduction

It is an absolute pleasure to extend a very warm welcome to our new Baden-Powell Fellows and all those who directly joined or advanced through our Honours Programme during 2024. The World Scout Foundation is honoured to recognise you and celebrate your generous support for World Scouting in the 2024 Membership List.

Throughout 2024, we also welcomed hundreds of new donors who engaged with our Annual Appeal and Scout-led initiatives via the Scout Donation Platform. Although not listed individually here, I wish to express profound appreciation to everyone who has supported our appeals, particularly those enabling critical Scout-led humanitarian action during crisis situations. Every donation counts and our collective support makes such a difference.

In addition to your generosity, I also wish to acknowledge and thank you for the volunteer hours you contribute, for sharing access to your networks to help expand our donor base, and for your continued championing of our Mission to increase our funding for World Scouting to strengthen our collective impact worldwide.

We want even more young people to experience the transformative power of Scouting and become ready for life.

I encourage you to discover our 2024 digital Annual Report to learn more about Scouting's impact in communities across the globe, the progress of our Strategy 2022-2030, our vibrant network of individual and institutional supporters, and how your steadfast support continues to transform lives.

On behalf of our Board, Committees, staff, and over 57 million Scouts worldwide, thank you for your unwavering support. Let's continue to do more together.

A handwritten signature in blue ink, appearing to read 'Mark Knippenberg', written over a faint outline of the Scout logo.

Mark Knippenberg
Chief Executive Officer

HM King Carl XVI Gustaf of Sweden, Honorary Chair and Mr Rob Woolford, Chair, recognise Mrs Jessie Files as a new BP Fellow.

We joined the Fellowship in 2024

In 2024, we grew our global network and financial support to Scouting initiatives worldwide by welcoming 105 new Baden-Powell Fellows from 29 countries.

We were delighted to welcome 65 new Young BP Fellows in this total. Thank you to everyone who supported this expansion of our network, including motivated BP Fellows, Chapters, champions of our Annual Appeal and members of our Board and Committees.

HM King Carl XVI Gustaf of Sweden, Honorary Chair and Mr Rob Woolford, Chair, recognise Ms Patricia Ramalho Catalano Diniz as a new BP Fellow.

The Honours Programme

The Honours Programme of the World Scout Foundation recognises individuals and families who are significant benefactors of the World Scout Foundation.

Through their lifetime contributions, they enable the growth and development of Scouting initiatives for millions of young people around the world. Each donor level recognises a significant personal achievement in charitable giving, which is honoured by our Honorary Chairman, HM King Carl XVI Gustaf of Sweden, at our annual BP Fellowship Event.

In 2024, we were delighted to recognise 28 Honours Programme Members (individuals and couples, indicated with an asterisk on the following pages) who either joined the Honours Programme for the first time or moved to a new Circle.

HM King Carl XVI Gustaf of Sweden, Honorary Chair and Mr Rob Woolford, Chair, recognise new Members of the Honours Programme at the 76th BP Fellowship Event as follows: Mr William Alan McDonald as a Member of the Benefactor Circle (top left); Mr Pansak Ransibrahmanakul and The Hon Mrs Priyanandana Rangsit as Members of the International Circle (top right); Mr Byung-Soo Baik and Mrs Youree Lee as Members of the International Circle (bottom left); and Mr Thomas Baltutis and Mrs Jennie Carlson Baltutis as Members of the International Circle (bottom right).

The Founder's Heritage

77 Baden-Powell Fellows belong to the Founder's Heritage, the planned giving programme of the World Scout Foundation. Planning a gift via a financial bequest in your will or trust, a deferred gift of assets or the designation of the World Scout Foundation in a life insurance policy, is a great way to support future generations of Scouts worldwide.

Members of the Founder's Heritage are honoured with a credit of 50% of the planned contribution to their ongoing BP Fellowship, personal recognition from the Chief Executive Officer of the Foundation, testimonial features and a memorial gift of a seedling to be planted in your name in the virtual forest of Europe's largest, voluntary reforestation project: Boranka.

Making a planned gift is a wonderful way to ensure that your legacy continues once you have gone home. Thank you.

"Kimberley and I have always believed in the transformative power of Scouting to shape young minds and inspire future leaders. By making a legacy gift to World Scouting, we wanted to ensure that our values of service, leadership, and community continue to thrive for generations to come. This gift is not just a contribution; it is a commitment to a brighter future for youth around the globe."

In Memoriam

We are honoured to pay tribute to 619 Baden-Powell Fellows who are sadly no longer with us, and we recognise the 16 Baden-Powell Fellows who have "Gone Home" in 2024 and their contributions to World Scouting.

May they rest in peace.

We honour their generosity and devotion to World Scouting, which will endure where unrestricted donations have been invested in the Foundation's Endowment Fund, generating income year-on-year for the World Organization of the Scout Movement. We remember them, too, through the actions of countless generations of Scouts across the globe to drive peace and sustainable development, who have been empowered through Scouting and will continue to benefit from their support.
